A large concrete bridge with multiple tall, rectangular piers spans a deep valley. The bridge has a blue-painted steel girder structure. The surrounding landscape is hilly and covered in dense green forest. In the distance, snow-capped mountains are visible under a cloudy sky. A dirt road or path runs along the base of the bridge piers. The text "Tjentiste" is overlaid in white at the bottom center.

A lush green forest scene featuring a calm pond. Several large, mature trees with thick trunks and dense foliage stand along the water's edge. The water is still, reflecting the vibrant green leaves and the dark trunks of the trees. In the lower-left foreground, three ducks are swimming near the shore. The overall atmosphere is peaceful and natural.
